April 20, 2016

Dr. Michael Bronshvag
11010 White Rock Rd., Ste. 120
Rancho Cordova, CA 95670

Regarding: My workers' compensation claims against San Joaquin County
Mosquito & Vector Control District

Dear Dr. Bronshvag:

Enclosed are Dr. Tabaddor reports that were prepared in regards to my knee. They are dated:

- June 15, 2010 (12 pages)
- August 20, 2010 (3 pages)
- September 7, 2010 (3 pages)
- November 11, 2011 (13 pages)
- March 27, 2012 (6 pages)
- August 29, 2012 (3 pages)
- April 17, 2014 (13 pages)

Also enclosed please find the following Operative Reports from Dr. Murata:

- Dated September 22, 2008;
- March 8, 2010;
- November 28, 2011.

And MRI reports from:

- July 28, 2008;
- April 7, 2009;
- December 1, 2009;
- March 8, 2010;
- August 9, 2011;
- November 28, 2011.

I am also enclosing to you:

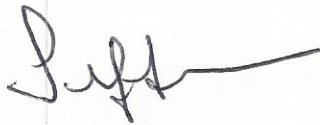

1. A copy of the Examinee Questionnaire that I prepared for Dr. Tabaddor dated 12/15/2015, it's 22 pages long;
2. List of employees hurt since 1989, two pages. Reported to WCAB but not to OSHA;
3. Sixteen pages related to Donald Meidinger versus the Mosquito District over the heart attack induced by a co-worker;
4. Twenty-six pages regarding Tom Beard versus the Mosquito District over injuries sustained as a pesticide applicator.

Please note that I have only been compensated for the first knee injury June 18, 2008.

By way of copying this letter to her, I am asking that counsel Skolnik provide you with my complete records from all of the treating doctors including Dr. Shaw and Dr. Gerard. All of these records are important as they relate to my ability to actually perform the specific job requirements of a pesticide applicator and the decline in my health.

Thank you for your continued professionalism in this matter. I look forward to my next appointment with you on April 26th.

Sincerely,

Tiffany Anderson
