To All Taxpayers of the Great State of California

RE: SAN JOAQUIN COUNTY MOSQUITO & VECTOR CONTROL DISTRICT  
(SJCM&VCD)

To Whom It May Concern:

Attached please find some new developments that I have uncovered regarding the above "special" district and their recent spending. Specifically, giving away \$37,756 to the Mosquito Research Foundation, 980 9<sup>th</sup> Street, 16<sup>th</sup> Floor, Sacramento, CA, 95814. There were apparently no strings attached.

I couldn't find their latest financial budget online other than they ran at a \$43,456 deficit from fiscal year 2011-2012. And, retired-Manager of SJCM&VCD John Stroh sits on the Foundation's Board of Directors. John Stroh retired earlier than he had planned while the San Joaquin County Civil Grand Jury was conducting an investigation. This gift apparently is a continuation of a prior-year donation. As a concerned taxpayer, I recommend that you investigate this matter for the benefit of the taxpayers of the state of California.

The next San Joaquin County Mosquito & Vector Control District board meeting is set for Tuesday, August 19, 2014, at 1 pm. Feel free to email me with any questions you might have for me.

Sincerely,  
/S/
