Dear Judge Bovett:

As we advised in a Notice of Representation filed 5/23/97,
we have been retained to represent the interests of Keenan
& Associates in conjunction with the above-named claim.

We were provided with a copy of a 5/13/97 correspondence
from applicant's counsel requesting that the Mandatory
Settlement Conference that had been scheduled for 5/22/97
be continued to a later date.

Applicant's counsel indicated in that correspondence, which
is attached herein, that one of the dates he was not
available was June 10th. We note that the Mandatory
Settlement Conference has been changed to 6/10/97
nonetheless.

In reviewing our calendar, we note that we are also
unavailable on 6/10/97. We have confirmed with applicant's
counsel that he still remains unavailable due to a prior
setting on 6/10/97.

RE: TOM BEARD

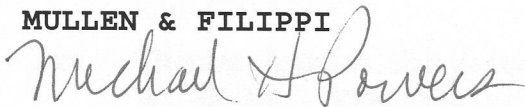

As a result, he has authorized us to request on behalf of both applicant and defendant that the Mandatory Settlement Conference now scheduled for 6/10/97 be continued to a later date.

Further, the primary issue remaining to be resolved between the parties relates to the rating of a medical report. It is our understanding that a rater is only available at the Stockton Board on Thursday of each week. We would thus jointly request that if this matter is reset from the 6/10/97 date, that it be reset for a conference date on a Thursday, so that we might avail ourselves with the rater if that is still an issue between the parties.

Thank you for your consideration of this matter. If you require additional information, please advise.

Sincerely,

MULLEN & FILIPPI
