Regarding: Second Video Recording with QME Dr. Tabaddor

Dear Honorable Judge Alvin Webber,

I am requesting you to please cancel the second video recording with Dr. Tabaddor the defense has scheduled for September 12, 2016 while canceling our court hearing on this same date instead.

This QME has not completed his conflict of interest ordered by you.

This QME has thrown me out of his office twice. He is abusive to me and abusing the work comp system for financial gain. He clearly has a conflict as I have had no medical coverage since my termination December 2011, yet I have seen this QME over 5 times with no end in sight.

The defense has denied my claims knowing their clients are responsible for all injuries I have filed with WCAB stemming from 2004 to 2016.

It is my request that we appear before the judge and discuss these claims before I am required to do participate in any more stalling from the defense.

Please and Sincerely,

Tiffany K. Anderson
