Dear TIFFANY ANDERSON:

We wish to take this opportunity to notify you of the disposition of your complaint.

After review of your complaint, we determined that there were certain documents we needed from you before we could proceed with our investigation. You were instructed, during the complaint submittal process, to provide supporting documentation within ten days or your complaint would be closed. The documentation has not been received; therefore your complaint file has been closed.

If you wish to reopen this file, please submit the requested documentation for review.

Sincerely,

CYNTHIA MOORE

We have received your request for an investigation by this agency. If the contractor is licensed by this agency, we have notified him/her of your complaint stating that this would be the time to resolve it. If the complaint is not settled at this level and we find evidence of possible violations of the license law, the file may be forwarded to an Enforcement Representative for investigation to determine if such violations exist. If violations of contractors' license law are supported, the license may be subject to disciplinary action. The letter mailed to the contractor may result in a solution to your problem prior to further action by this agency. We have requested that the contractor attempt to contact you regarding the items of dispute. **After you have been contacted by the contractor or after seven (7) days from the receipt of this letter, please provide the information requested below and return this form to us.** If you have filed this complaint electronically, sign the form and return it with the requested documents.
