

San Joaquin County Mosquito and Vector Control District distributing free mosquitofish

By Christina Cornejo/News-Sentinel Staff Writer | Posted: Friday, June 19, 2015 10:53 pm

The San Joaquin County Mosquito and Vector Control District will be distributing free mosquitofish to the residents of Lodi, Stockton, Tracy, Manteca, Escalon, Lathrop, Ripon and the surrounding San Joaquin County areas between June 23 and 26.

The giveaway in Lodi will take place from 12:45 to 2:45 p.m. June 23 at the Softball Complex parking lot at 401 N. Stockton St.

Residents will be asked to provide a name, address and location where fish will be placed. A maximum of 15 fish will be provided to each resident while supplies last. Ideal places to use mosquitofish are in ornamental ponds, neglected swimming pools and animal water troughs.

For more information, call the San Joaquin County Mosquito and Vector Control District at 209-982-4675 or visit www.sjmosquito.org.
