Dear Judge McGill,

This letter needs to be read in conjunction with a letter I sent to you with the same date as above.

I am enclosing an example of a daily time sheet that I have requested from the opposing council. The daily sheets themselves will provide evidence of discrimination as I am required to document when I'm with, where I was assigned and the tasks assigned to me.

I think Mr. Eley is abusing my 134A suit to get evidence regarding the Grand Jury investigation the district is under right now. Is there anything I can do to protect the integrity of the investigation in short of dropping my 134-A suit?
