23 COMES NOW, defendant, San Joaquin County MVCD; AIMS Insurance, by and  
24 through their attorney of record, Stockwell, Harris, Woolverton & Muehl, and files this  
25 Petition to Dismiss the applicant's case. In support of this Petition defendant offers the  
26 following:

- 27 1. The applicant was scheduled to be re-evaluated by Dr. Tabaddor for a  
28 Petition to Reopen on October 13, 2014.
2. At an Information and Assistance Conference on October 3, 2014, the  
applicant agreed that she would attend the re-evaluation.
3. The applicant failed to attend an informal conference set with Judge  
McGill for October 7, 2014.

1           4.       On October 13, 2014, Dr. Tabaddor's office advised that the applicant  
2 appeared for the evaluation but refused to be evaluated and left the appointment.

3           5.       Defendant rescheduled the evaluation to January 5, 2015 and petitioned  
4 for an Order Compelling. The Order was granted on January 5, 2015.

5           6.       The applicant obtained an Order staying the proceedings for unrelated  
6 reasons so this appointment did not go forward.

7           7.       Defendant rescheduled the evaluation for September 21, 2015 and  
8 petitioned for an Order Compelling.

9           8.       The Order Compelling issued on July 21, 2015 and defendant served the  
10 applicant with same on July 27, 2015.

11           9.       On September 21, 2015, the applicant e-mailed the defense attorney. Also  
12 on the e-mail was an employer representative whom the applicant has been told  
13 numerous times not to copy with her correspondence as the client is represented. In this  
14 e-mail, the applicant claimed that Dr. Tabaddor did not need her present and would not  
15 do his job and that the defendant was withholding relevant records. The applicant  
16 demanded that the appointment be rescheduled. She further requested that Dr. Tabaddor  
17 appear at the courthouse for her to answer his questions and that she did not feel safe  
18 going back to his Stockton office.

19           10.      In addition to the above issues with respect to an evaluation with Dr.  
20 Tabaddor, the applicant also attempted to have this case set for trial on a moot issue.  
21 Namely, she asked to have a panel QME in internal medicine replaced due to an alleged  
22 conflict of interest. Despite Defendant agreeing to her request, she attempted to have the  
23 case set for trial for the sole purpose of harassing the defendant by listing one of its  
24  
25  
26  
27

1 attorneys as a trial witness. The defendant had to file a Petition to Stay the proceedings  
2 and make a special appearance in order to have the trial cancelled. All of this is reflected  
3 in the Minutes of Hearing dated 7/16/15.  
4

5 In light of the above, the applicant has violated an Order issued by the Judge, of  
6 which she was well aware. Her actions prevent her case from moving forward and are  
7 clearly frivolous and solely intended to cause unnecessary delay. In addition, the  
8 defendant has had to pay for multiple no-show and/or late cancellation fees associated  
9 with these evaluations.  
10

11 Although it is not the case that the cases have not been activated for one year,  
12 Defendant requests dismissal based on the fact that the applicant appears to be pursuing  
13 her cases only to the extent that they can burden the Defendant with frivolous litigation,  
14 and without any real intention of cooperating with the proceedings.  
15

16 Defendant hereby petitions the WCAB for dismissal of applicant's claims on the  
17 basis of lack of cooperation and abuse of the discovery process. Defendant requests that  
18 any pending petition to reopen be dismissed, and that ADJ9066508 be dismissed in its  
19 entirety.  
20

21 I declare under penalty of perjury that the foregoing is true and correct to the best  
22 of my knowledge.
